Dear Prayer Partners,

It's wonderful to see the Lord continuing to work in so many ways in 2026! We have been greatly encouraged by what our amazing God is doing in West Africa, Ireland, and the USA. It is our desire to share some of these accounts so that you can likewise be encouraged and continue in the Lord's work through your continued prayers.

We greatly appreciate your unwavering prayers and support, and we realise that for specific prayers, you need specific information. With that in mind, we are sending our quarterly newsletter which encompasses our regular monthly updates that are sent through email. If you do not receive the regular email updates and would like to see this information as it is available, please email **Raymond@irelandoutreach.org**. Likewise, if you wish to no longer receive a printed magazine, but would prefer to receive it electronically only, feel free to let us know.

We hope you find the enclosed information encouraging as you see our amazing God move into action. Please see below for specific prayer and praise points as well as the specific needs we are currently facing. Consider these items daily, and pray for the Lord's provision and how you may be a part of it.

By God's Grace, Love and Mercy,

Prayer Points

- Staff needed for Morgan House: secretary, host, maintenance/handyman, IT, landscaper
- Security challenges in Nigeria and the finances needed to maintain security
- Haven of Hope Academy school construction (nearing completion)
- Provision for THADDEUS Scholarship
- Search for a land in Nigeria and Ghana, as depot for Gospel literature
- Upcoming Mission Exposure Trips to Ghana, Nigeria and Ireland in 2027
- IOI retreat in September

Praise Points

- Many volunteers helping at Morgan House - many more needed
- Possible land opportunity in Lagos, Nigeria
- Successful Mission Exposure trips and the first Joni and Friends Family Retreat
- Delivery of over 130,000 Emmaus courses in Nigeria, Ghana, and Liberia with many more to come soon

Dear Prayer Partners,

We are thrilled to share with you another testimony of God's faithfulness at Haven of Hope Academy.

The Haven of Hope Academy (HHA) continues to distinguish itself as one of the leading schools in Nigeria. The school remains committed to raising young people who excel academically, grow spiritually, and become godly leaders in this generation. We are glad to report the outstanding performance of our students in the recent Unified Tertiary Matriculation Examination (UTME). **Across Nigeria, over 2.2 million students sat for the examination, yet less than 1% scored above 300 and above out of 400 points.**

Highfliers of Grade 12

Classroom activity

At Haven of Hope Academy, the results were remarkable. **33% of our students who sat for the exams scored 300 and above, a performance that stands far above the national average.** We rejoice that our students have attained scores that place them in positions to gain admission into universities and pursue their desired fields of study. Beyond academic success, we are thankful that these young people are being equipped with godly values and a Christ-centered foundation that will help them impact society for the glory of God.

We kindly ask you to continue praying with us that:

- More young people will have access to quality Christian education
- HHA will remain a shining light for Christ in education
- The Lord will provide the resources needed for continued growth and development

Would you prayerfully consider partnering with us by sponsoring a student? Your support helps provide life-changing educational opportunities and enables us to continue raising **future leaders grounded in faith and excellence.**

Thank you for your continuous support.

We're committed to helping at least 15% of our 700+ students. We are currently at 2 percent

2%

Dear Prayer Partners,

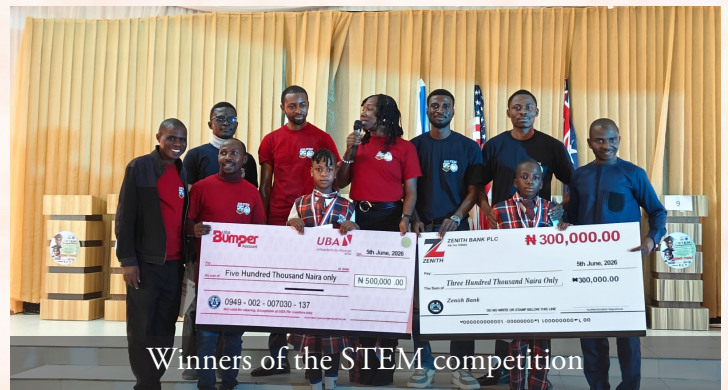

We are excited to share with you about the recent STEM competition organised by Haven of Hope Academy (HHA), in collaboration with the University of Jos.

Contestants during the competition

It was a deliberate effort to raise a generation of young people who will pursue excellence in both knowledge and godly character. The competition brought together students from different schools all over Jos who demonstrated remarkable creativity, analytical thinking, and passion for learning. It served as an avenue to identify and nurture young talents who can grow into future leaders in science and technology while remaining firmly grounded in biblical truth.

As conversations around Science, Technology, Engineering, and Mathematics (STEM) continue to shape the future of education globally, we sensed the need to create an environment where Christian education is not separated from academic excellence. Too often, there is a misconception that schools committed to biblical discipleship cannot also produce students who excel intellectually and competitively. The vision behind the event was rooted in our desire to build an educational ecosystem that encourages heightened computational intelligence, innovation, creativity, and literacy among children from an early age.

Winners of the STEM competition

This STEM initiative also reflects the larger mission of Haven of Hope Academy, to raise children who are intellectually equipped, spiritually grounded, and morally disciplined. We are trusting God to continue using such platforms to shape young lives and point them toward Christ-centred leadership and service. Our prayer is that these students will become individuals who use their gifts, knowledge, and influence for the glory of God and the advancement of His kingdom.

Would you consider supporting the Haven of Hope Academy and its initiatives? Visit www.ioiglobal.org

Thank you for your continuous support.

Ireland Mission Exposure

Edition 3

Sharing the Love of Jesus

July 2026

Dear Prayer Partners,

We are thrilled to share an update with you from the recently concluded Mission Exposure in Ireland.

On Saturday, June 13, Raymond, Jennifer, and Abigail arrived safely in Dublin. They were joined on Monday, June 15, by our dear Brothers and Sister, Jayeson, Ethan, and Christine. During the Mission Exposure, the team shared the love of Christ with the people in Dublin, Ireland. Through door-to-door evangelism, we reached about 1,500 homes, along with people we met on the streets, sharing the Gospel, with tracts, and warmly inviting them to enroll in the Emmaus Bible Courses. Also, the team spent some time cleaning and organizing the literature and the office in Dublin.

Jennifer evangelising

Jayeson, Christine and Ethan sharing tracts

On Saturday, June 20, Jayeson, Christine, and Ethan returned safely to the United States, while Raymond, Jennifer, and Abigail remained in Dublin, continuing the ministry. On Sunday, June 21, Raymond shared about the ministry during a worship service with a church in Dublin. The following weekend, he shared God's Word to a church in Manchester. Two days later, Raymond, Jennifer, and Abigail returned to the United States. We give all the glory to our Lord Jesus Christ for His grace throughout the Mission Exposure.

We invite you to stand with us in prayer that:

- The hearts of those who heard the Gospel will come to saving faith in Jesus Christ
- Those who received Gospel literature will grow in their understanding of God's Word and become faithful disciples
- The Lord will continue to prosper His work in Ireland, and open more doors for the spread of the Gospel

A Legacy of Hope and Impact

Edition 1

Preaching Christ to the Nations

August 2026

Dear Prayer Partners,

We are thrilled to share with you what the Lord has done, and continues to do in and through the Haven of Hope Academy (HHA) in Jos, Nigeria.

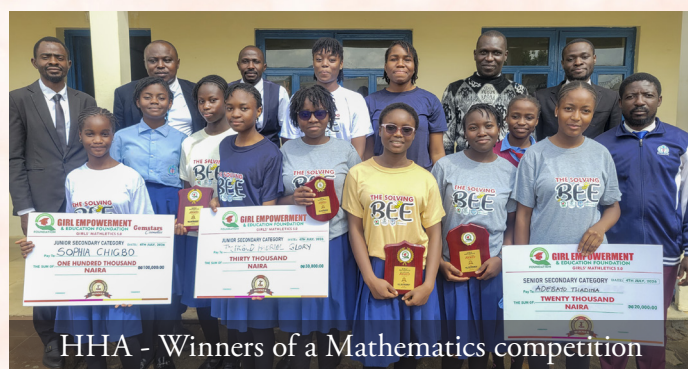

Middle school graduating class at the anniversary

This year marks a significant milestone in the history of the school as we celebrate 20 years of God's faithfulness, grace, and provision. Haven of Hope Academy began from humble beginnings. Like the little mustard seed that grows into a great tree, what started small, by God's grace, has grown into a respected institution with a growing impact not only in Plateau State but also across Nigeria and beyond. Over the past two decades, the school has become more than a place of academic learning; it has become a community where young people are nurtured, and mentored to grow in both knowledge and godly character.

The school has passed through seasons of trials, and significant challenges. Yet, through every phase, the Lord has remained faithful. His provision has sustained the school through difficult times. One of the greatest testimonies of these 20 years is the lives of the young people who have passed through the school. Many former students have gone on to excel at the university level, graduating among the top students in their classes and pursuing meaningful careers and callings. Others are currently in universities and continue to distinguish themselves, not only through academic excellence but also through their character.

High school graduating class at the anniversary

HHA - Winners of a Mathematics competition

The school continues to serve in a challenging environment. As we reported in the Special Report of the October–December 2025 Harvest Highlights, insecurity remains a significant concern in parts of the country. Nevertheless, we are deeply grateful that the Lord has continued to protect the students, teachers, staff, and families connected with Haven of Hope Academy. As we celebrate this 20th anniversary, we believe the best days of Haven of Hope Academy are still ahead. We desire that the school will continue to be a place where young people receive quality education, discover their God-given potential, and are equipped to become men and women of integrity and godly influence.

We invite you to continue standing with us in prayer that:

- The Lord will continue to sustain His work at Haven of Hope Academy
- The Lord will strengthen and encourage the teachers, administrators, and other workers for His work
- God will continue to protect the entire Haven of Hope community amid the security challenges
- The Lord will open new opportunities for growth and greater impact

Thank you for your continuous support.

Dear Prayer Partners,

We are thrilled to bring you an update on the recently concluded Ghana Mission Exposure.

Raymond, Jennifer, and Abigail, alongside Rimamsirufun and Jezreel from Nigeria travelled to Ghana for this year's Mission Exposure. The team visited several villages and communities across the country to preach the Word of God and demonstrate His love in tangible ways, including checking in on the water facilities previously provided to these areas. Two new water wells were drilled in Issakurom and Krukrom communities once plagued by a lack of clean water and solar panels were installed to further support them.

The commissioning of the water well at Krukrom

Medical outreach at Krukrom, Ghana

We also held medical outreaches in Krukrom and Ankaase, where hundreds of people were examined and given medication tailored to their needs, alongside food distributions across the communities we visited. God opened doors for the Word at the University of Ghana and the University of Cape Coast, where we held an Emmaus Bible Course graduation for students who had completed the program. We were also invited to Cape Coast Technical Institute and University Practice High School, where we preached and introduced students to the Emmaus Bible Courses. Many of the students have enrolled.

We are grateful to the Lord for His grace throughout this Mission Exposure, and we ask you to continue praying with us that:

- The seed of the Word will continue to bear fruit in these communities
- The Lord will keep opening more doors for ministry in Ghana

Thank you for your continuous support.

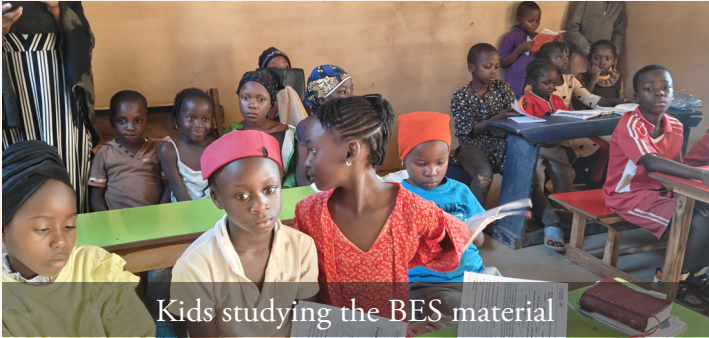

There are many communities in Ghana that are struggling with lack of clean water. Would you want to donate towards drilling of wells in Ghana?

Well type	Amount
Water well with manual pump	\$2,000 USD
Mechanized water well	\$7,000 USD
Water well with solar panel and reverse osmosis (for remote location)	\$15,000 USD

Dear Prayer Partners,

We are excited to share with you how God continues to work across Africa through the Bible Educational Services (BES) resources.

Kids studying the BES material

The BES materials have proven to be a powerful resource for evangelism and discipleship among children. Bible clubs are being established across communities, and through these gatherings, children are being taught the Word of God in ways that are both engaging and life-changing. One facilitator shared how rich the materials have been in teaching and discipling the children under his care:

“We have been using BES to reach out to the children and other young people, teaching and discipling them through its lessons. We have about 100 children who come regularly, and they are always eager to be there. Whenever a new lesson is ready, they arrive long before the set time, hungry to learn God’s Word.”

God has used the BES materials to reach many children, and some have come to Christ through it. In every lesson, they are given the opportunity to trust Christ, and many have done so. They are being discipled, and some have grown from children into teenagers, still walking with the Lord.”

Kids at the Bible club with BES material

Would you like to join us in prayer for:

- The facilitators using the BES materials across Africa, for continued wisdom and strength
- The children currently being discipled, that their faith would take deep root
- Continued provision of BES materials to reach even more children

Would you consider joining us to support initiatives like this? **Visit: ioiglobal.org/bes**

Thank you for your continuous support.

Hidden Riches Unveiled

Edition 1

Joni and Friends Family Retreat, Nigeria

September 2026

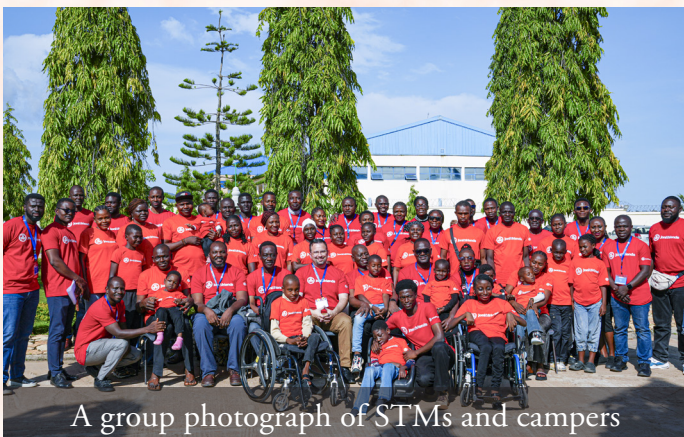

Dear Prayer Partners,

We are thrilled to share with you the joyous news of our recently concluded Joni and Friends Family Retreat in Jos, Nigeria, the very first held in the country, hosted in partnership with IOI at the Haven of Hope.

The retreat started on Monday with two days of intensive training for our 22 Short-Term Missionaries (STMs). These dedicated volunteers were equipped with practical skills, relational strategies, and spiritual preparation to serve as one-on-one care-givers and support personnel. By the time our five focus families arrived on Wednesday, our team was fully prepared to shower them with Christlike care, allowing parents to step back and rest deeply for the first time in years. In total, 28 family campers gathered under this year's theme, "Hidden Riches," inspired by Isaiah 45:3: "I will give you hidden treasures, riches stored in secret places, so that you may know that I am the Lord, the God of Israel, who summons you by name."

Special need child, Julnan, with his craft

A group photograph of STMs and campers

One of the special needs children - Anna

Beyond spiritual encouragement, practical help was provided through the distribution of wheelchairs to children in need. By the time the retreat concluded on Sunday, the atmosphere was filled with tears of joy and profound gratitude. Parents expressed profound gratitude for the love and dignity poured into their lives throughout the week. We praise our Lord Jesus for His grace in making this inaugural retreat a resounding success, all for the glory of His name.

Please join us in prayer for these families that:

- These parents and caregivers will continue to find physical, emotional, and spiritual daily strength
- They will not lose heart, but stay deeply anchored in God's peace and hope
- These families will encourage other families in their communities facing similar challenges

Would you consider supporting the next Family Retreat so that more families can be reached?

Thank you for your continuous support.

A Vision for the Harvest

Edition 2

Expanding the Literature Ministry

September 2026

Dear Prayer Partners,

We are excited to share with you another opportunity the Lord has placed before us as His work continues to grow across West Africa.

We are grateful to the Lord for the many ways He is moving, and we are witnessing His faithfulness firsthand. Day after day, the Lord continues to expand His work. As a result of this growth, there is currently a high demand for Emmaus courses, tracts, and other Christian literature. Believers and local pastors are eager for resources to help them grow and evangelize. While we rejoice in this growing demand, we are also facing a major challenge: limited storage capacity.

The temporary site for literature in Lagos, Nigeria

Temporary for storage facility in Accra, Ghana

Currently, the lack of adequate storage facilities restricts how much literature we can receive, organize, and distribute efficiently. To meet this critical need, we are trusting the Lord for the provision of land to establish two major literature distribution depots in two vital West African cities: Lagos, Nigeria, and Accra, Ghana. By securing these pieces of land and setting up warehouses, we will be able to ship and store significantly larger volumes of literature at a time, which will help to accelerate distribution, serving as central launchpads to efficiently dispatch books, Bibles, and other resources to cities and remote villages alike, providing steady access to discipleship and evangelistic materials.

We invite you to stand in prayer with us that:

- The Lord will continue to prosper His work throughout Nigeria, Ghana, and the wider West African region
- The Lord will provide funds to acquire the plots of land needed in Lagos and Accra

Would you consider supporting us to get a land to use as a depot for our the literature storage and distribution? Contact Raymond at: Contact@irelandoutreach.org

Thank you for your continuous support.

Land Location/Country	Cost (USD)
Accra (Ghana)	\$200,000
Lagos (Nigeria)	\$150,000

Dear Prayer Partners,

We are delighted to share another testimony of God's faithfulness as He continues to transform lives across Nigeria through the Emmaus Bible Course.

Abu presenting a certificate to one of the graduates

Recently, we held a graduation in Gulu, a rural agrarian community in Niger State, Nigeria, where five students successfully graduated from the Emmaus Bible Course. This joyous occasion is particularly remarkable because Gulu has, for many years, been plagued by insecurity and attacks that have brought fear and uncertainty to many families. Yet, even in the midst of these challenges, the light of the Gospel continues to shine brightly. In 2025, the Emmaus Bible Course was introduced to this community with the desire to disciple believers and establish them firmly in God's Word.

We rejoice to see these five individuals graduate and become equipped to serve as witnesses for Christ among their own people. This is a testimony that God's Word is not bound by difficult circumstances. Others have also enrolled to study these courses. We give all glory to our Lord for His sustaining grace and for opening doors for the Gospel to advance even in communities facing great adversity. We are glad to see what the Lord had done, and we look forward to greater testimonies in Northern part of Nigeria.

Attendees at the graduation in Gulu

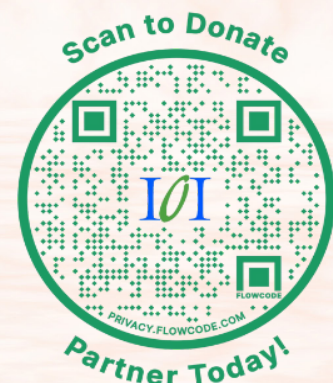

Please join us in prayer that:

- These graduates will remain steadfast in their faith and become effective witnesses of Christ in their community.
- Many others in Gulu will be receptive to the Gospel and enroll in the Emmaus Bible Courses.
- There will be protection and peace over Gulu and the surrounding communities, that the work of the Gospel may continue unhindered.

Would you consider supporting to reach others in Nigeria and the West Africa with these courses?

Thank you for your continuous support.

Due to the high demand of the Bible courses, 50,000 copies of each title of the courses are being printed and shipped to Nigeria, Ghana and Liberia combined every month. Join us in making these courses available to many who are eager to study these courses and to grow in their knowledge of our Lord.
